3rd February 2010

All Secretaries

Craig Moore, President of the Van Dieman Pistol Club has informed the president that he will be participating in the Review of the Firearms Act 1996.

To that end Brian has asked me to enquire as to whether or not you have any issues or matters you wish to be brought up at the review on behalf of the association.

If you have any please let me know prior to the 14th February 2010 so that they can be forwarded to him prior to the review.

If you have any further items you wished placed on the agenda for the February (10.1) meeting of the association please feel free to provide the details to me and I will ensure they are included in the running sheet on the day.

Please advise me of your approved delegates to this meeting to ensure their credentials are recognised and RSVP to either myself or the President of their intentions to attend to ensure we are able to form a quorum on the day.

Thank you,

Terence Day
