Dear Members,

After much consideration I have decided to start up a "Training Squad".

This will be for any level of shooter that shoots ISSF or Service Pistol.  
At this stage they will be run for one day only. This will hopefully allow people to car pool which will make it cheaper for people to attend. One will be held over a weekend and I will arrange for a coach to attend.

This is an opportunity for shooters to train and share ideas with each other in a non confronting, friendly environment. Coaching will be available on the day from local coaches.

I am hoping these can be held on VDPC & TP & RC ranges.

I have some proposed dates below.

Saturday May 28<sup>th</sup> VDPC

July 30<sup>th</sup>-31<sup>st</sup> TP & RC (coaching weekend)

Sunday Sept 11<sup>th</sup> VDPC

Sunday Dec 4<sup>th</sup> TP & RC

It is very hard to select dates that won't clash occasionally. Dates or Venue may be changed.

The cost to attend these days will be approx \$5.00 we just want to cover the cost of targets and patches. Bringing a coach over for a weekend will cost around \$35 each depending on how many are attending.

If you would like to join, please fill out the form below and post or email it back to me. Kerry Crlik P.O Box 51, Brighton 7030 or [acrlik@bigpond.com](mailto:acrlik@bigpond.com)
